

Keep Pets and People Together

.....

Help us go above and **beyond rescue** by keeping pets with the people who love them.

Gateway Pet Guardians (GPG) is holding a unique virtual fundraiser to support programs that not only help pets find loving forever homes - but also keep pets with their families and out of the shelter.

WHAT IS THIS UNIQUE VIRTUAL FUNDRAISER?

A crowdfunding virtual fundraiser that utilizes matching gifts to increase the impact of everyone's gift. Matching sponsors are vital to the success of the event and all match money goes directly to GPG's mission.

YOUR IMPACT

Your gift will act as inspiration for new supporters to learn about GPG's mission and invest in our lifesaving work. By being able to offer a match on the day of the event, donors on every level will feel their gift is having a significant impact.

36 HOURS TO MAKE A DIFFERENCE

Support programs that not only help pets find loving forever homes - but also keep pets with their families and out of the shelter.

With your support, GPG will raise \$130,000 on October 26 during a unique virtual fundraiser. Watch the impact of your gift in real-time through the Charidy.com fundraising platform. Fundraising ambassadors will encourage friends, families and animal welfare enthusiasts to make gifts to GPG! Much of the event will be online, but GPG will hold a small, in-person event for shelter staff, board, select invitees and fundraising ambassadors.

ABOVE + BEYOND COMMUNITY PARTNERS

Invest in an animal welfare organization that has a unique, community-focused mission. By supporting Gateway Pet Guardians (GPG), you not only help pets find loving forever homes - you help pets stay with their families and out of the shelter. By providing affordable and accessible resources to the East Side Pet District - East St. Louis, Cahokia Heights, Washington Park and Fairmont City, we create an equitable experience for all pet lovers.
