

RON RTYL Memorial

July 2023

Family & Friends –

Please join us on September 25th for the 15th Annual Ron Ortyl Memorial Golf Tournament at Norwood Hills Country Club.

Many of you are familiar with this tournament having participated/donated in the past. For those of you who are unfamiliar with this event, here are a few details/highlights:

This tournament was initiated in 2008, a year after Ron passed away, as a way to honor, remember, and thank him for his incredible generosity to others. He loved golf and was a life-long member at Norwood so the location is meaningful – plus it offers two courses which we fortunately need to accommodate all the teams.

Ron also loved animals, especially dogs. This year, as well as several previous, Gateway Pet Guardians (GPG) will be the recipient of the funds raised. I encourage you to look them up at www.gatewaypets.org to learn just how incredible this organization is. Rescue, medical treatment, pet owner education, outreach programs, pet food drives and an on-site, low cost veterinarian clinic are some of the areas that past tournament proceeds have helped support.

A few exciting highlights for some of you new to this event...

A player from both the East & West course will go home with 5K. Metro East Industries donates 20K to the tournament - a 10K prize for each of the two holes selected – with 5K given to the closest to the hole winner and 5K donated to GPG in that player's name.

A 200K hole-in-one opportunity on both courses which adds a lot of excitement and anticipation the day of the event. It has happened once and we would love to see someone make another “shot of a lifetime.”

Each year we are amazed and humbled by the generosity and support of so many. Whether you can join us to play on September 25th, sponsor, donate or volunteer - just know you make a difference. That difference allows us to continue this event in memory of my dad while raising much needed funds for animals in need.

Thank you in advance for your support – it truly means so much!
